

“Creativity is Contagious. Pass it On.” Albert Einstein.

I am so amazed and blessed to be in my second year at QCCS as the Art teacher. I am deeply grateful for this opportunity to creatively contribute to building lives of excellence, encouraging the students to uniquely impact their world for Christ.

I graduated from Northern Illinois University, earning a Bachelor’s degree in Education with an emphasis in Art. My teaching experience includes teaching Art at the Elementary and Middle School campuses of Dayton Christian Schools in Dayton, Ohio through the 80’s-90’s. During the summer months I would return “home” to the Quad Cities and lead the school age day camp program at a local daycare for K-Middle School. Keeping the “kiddos” creatively occupied at all times was my first priority.

Today, as it was then, my goal is to inspire “budding artists” (of all ages) to fully explore the design process, thinking through how the viewer will interpret their work. I pray that each of my students will discover their inner artist and use their God given gifts for His glory!
