

I have a B.S. in Mathematics Education from Liberty University in Lynchburg VA. I currently teach Pre-Algebra, Algebra 1, Geometry and Algebra 2. In addition, I am a resource for those taking Pre-Calculus online through Aleks.

This is the third Christian School I have had the opportunity to teach Math at. In addition to my teaching experience, I have also served as a Christian school board member for 6 years, homeschooled for 6 years and taught at Scott Community College.

In the past I served in Youth Ministry alongside my husband for over 8 years, and now assist him in his role as Senior Pastor at Pleasant View Baptist Church in Bettendorf. Together we have three grown children and one wonderful grandchild!
