

I graduated from Concordia University-Chicago with an Elementary Education degree and a concentration in Church Music. The Lord has allowed me to be involved in Christian education within the parochial school system, as a veteran homeschooler of my own two children, and most recently as music teacher and choir director at QCCS. I take every opportunity to share the love of music with my students, as well as the love of God, who has created us to sing His praises.

When I am not teaching, I enjoy spending time with my family. I work alongside my husband, who is a pastor, in our local church as a musician. I am very active as a volunteer in the Quad - Cities community as an owner and handler of a licensed therapy dog.
