

This is my fourth academic year as an instructor at QCCS. I was blessed to be a stay at home mom until returning to Western Illinois University and completing my degree and endorsements.

QCCS has allowed me the opportunity to teach across a variety of subject areas, including: Literature, Math, and History. Along with Mrs. Brookhart, I assist with the school's International Program. This allows me to connect with the many amazing young adults who are making our school their academic home for the year.

I have been married to my husband Scott for over 20 years. Our daughters, Rachel and Emily have somehow gotten older while we rarely age! Rachel currently studies at the University of Iowa and Emily is a 10th grader on the move. Most evenings you will also find, jealously wedging herself between us all, our Cavalier Miley. In my free time, I enjoy reading and delving into family history.
