

QCCS International Studies Program

The Mission of QCCS is to work together with Christian families and churches to educate students academically, spiritually, physically, and socially to build lives of excellence to impact the world for Jesus Christ.

QCCS 2015-2016 Term

Welcome to the QCCS family!

My name is Dave Timmons and I am part of the faculty at Quad Cities Christian School. I would like to welcome you to our school family and introduce myself and my role at QCCS.

First of all, I teach the Social Studies curriculum for grades 8 through 12. History is my passion and I do my best to pass my love of the subject on to my students. I have been blessed to be able to travel to a few odd corners of the world in short-term ministry. I include my missionary experiences as support material for our textbooks.

In addition to my teaching duties, I am also the Director of International Studies for QCCS. The International Studies Program is critically important to the financial health of our school. Each year many students from other nations come to join our student body. One of the biggest challenges for me is finding host families for these students! Hosting a student is really a pretty simple ministry. You need to have room in your home and room in your heart! Host families are compensated financially. So I am not looking for funding or for volunteers!

I also have an immediate need for host families for a very short term in July. Again this year, QCCS will host a group of elementary students from China for a Summer Language and Culture camp. The students will arrive in early July and stay for two weeks. I am in need of host families for this group. At this time, I am expecting about 45 students and 5 adult chaperones. If you are able to help in this ministry please contact us promptly. Host families are compensated and daily classes are held here at the school! It's hard to believe that July is right around the corner, so please prayerfully consider this mission and let us know your thoughts!

I look forward to meeting each of you in person as the year progresses!

In HIM,
Dave Timmons
Director of International Studies
Quad Cities Christian School
