

Opportunities for giving and Volunteering

QCCS is a non-profit school. The cost of tuition does not cover all the operation costs of the school. We rely on the generosity of the Christian community to meet the remainder of our needs. We are a non-denominational school which is not connected with any church. We have many churches represented by our parents, students and faculty at Quad Cities Christian School.

If you would like to financially support our school you can do so by contacting the school office at 309-762-3800. We have chosen to not have a link to electronic giving because we prefer that 100% of your tax-deductible donation go directly to the school.

We have many opportunities for volunteering. If your church group is in need of a service project please contact the school. We have many types of projects to choose from. All levels of skills are needed. Your help will be greatly appreciated.
